I Love my XM Radio,Tell the NAB to take a hike!! It's not governments obligation to control compation. Let the NAB compete with XM Radio.
XM Radio is giving the public what we want. XM Radio is a subscription service. we pay for the service they provide. XM Radio belongs to people like ME!!

OPPOSE HR-4026

XM Radio is the best thing that has happened to truckers and the trucking industry.

Lead on XM Radio!! XM is the future of radio.
